8/15/2019

Dear Parents/Guardians,

Our first fundraiser of the year is the soft drink booth at the Maui Fair (Thursday, October 3 - Sunday, October 6, 2019). Today, we begin our pre-sell of tickets for the soft drink booth. Each student has been issued 20 tickets to sell and each ticket is \$2.50. It can only be redeemed at the Maui Waena Band Soft Drink Booth at the Maui Fair on Thursday, October 3 - Saturday, October 5, 2019.

The success of our fundraiser depends on an outstanding sale of tickets. Profits from this fundraiser will be used for new equipment, music, instrument repair, transportation, security system, copy machine maintenance, and student activities (i.e. concert exchanges with other bands, the Aloha Concert at the Maui Arts & Cultural Center, etc.).

If you prefer not to sell and would rather donate the money the band makes per ticket, that amount would be \$30.00. **If you choose this option, please contact the band teacher and return your child's assigned tickets undamaged with \$30.00.**

Please help your child sell his/her tickets with ZERO return. Extra tickets are available upon request at a first come, first served basis because we have a limited supply. **Deadline for money and unsold tickets is Monday, September 16, 2019. All unsold tickets *must* be returned.** Due to the high number of returned checks and the fees incurred on the band program, we ask that you try to collect cash only. If possible, please do not accept checks as payment.

Please sign your child's planner acknowledging that you have received this letter and 20 tickets. With your help, we can raise the funds necessary for the band program to function at a high level and provide your child with a great band experience at Maui Waena. Mahalo for your kokua and support!

Sincerely,

Approved:

Scot Kiyonaga
Band Teacher
