Dear Parents/Guardians:

The Beginning Band students have been assigned an instrument and can now purchase their supplies.

For sanitary reasons, students will need to purchase supplies that are unique to the instrument that he/she will be using for the year. The supply kit is \$45 and will include everything for the instrument (i.e. book, mouthpiece, oils, reeds, etc.) as well as their band uniform shirt. Consumable items like valve/slide oil, reeds, and cork grease have to be replaced when needed and can be purchased individually from the band. Please bring your cash payment to your band teacher. A receipt will be given to your child.

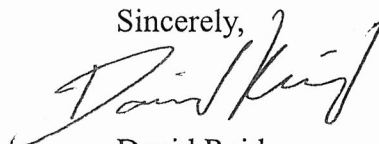

For financial considerations we do have payment plans available so let your child's band teacher know if accommodations need to be made. Please have all supply payments in by December 2, 2019.

At the end of the year, your child will have the option to either keep their supplies at home or have the band teacher hold it for them until next year. This is recommended since supplies tend to get lost at home during the summer. Please let us know if you have any questions or concerns. Mahalo for your kokua and support

Sincerely,

  
Scot Kiyonaga  
Band Teacher
